Subject: Need help in container creation
Posted by RaghuD on Wed, 05 Feb 2014 05:04:43 GMT

Hi All,

I have been assigned a task to create a RHEL conatianer, I googled alot and did not find RHEL template, I was in a need of some info
Where I would find an RHEL container creation template or STEPS / COMMANDS I can use to create a template from an existing conatainer/physical node

Pls help

/Raghu
