---

because i excute command

```
#iptables -A FORWARD -s 10.0.0.0/24 -j ACCEPT  
#iptables -A FORWARD -d 10.0.0.0/24 -j ACCEPT
```

Chain FORWARD (policy ACCEPT)

target	prot	opt	source	destination	
REJECT	all	--	anywhere	anywhere	reject-with icmp-host-prohibited
ACCEPT	all	--	10.0.0.0/24	anywhere	
ACCEPT	all	--	anywhere	10.0.0.0/24	

the first is default policy

i forget it....

i delete the policy ,  
now,is worked!

thanks!
