Subject: Re: CentOS 6.7/OpenVZ container missing "Committed_AS" line in /proc/meminfo
Posted by khorenko on Fri, 04 Sep 2015 08:27:45 GMT

Fully ack the comment from bkb, if some apps are not working inside Containers, we wish to know about them.

BTW, xerobank, you are welcome to send patches as well, if you believe the enhancement is really needed.
