```
[root@ct reparare]# systemctl
Failed to get D-Bus connection: No such file or directory
[root@ct reparare]# rpm -i vzkernel-2.6.32-042stab103.5.src.rpm
warning: vzkernel-2.6.32-042stab103.5.src.rpm: Header V4 DSA/SHA1 Signature, key ID
a7a1d4b6: NOKEY
[root@ct reparare]# reboot -f
got signal 9
    exited from CT 100
root@Dedicat:/hdd/private/100/reparare# vzctl enter 100
entered into CT 100
[root@ct /]# uname -r
2.6.32-32-pve
[root@ct /]# systemctl start network
Failed to get D-Bus connection: No such file or directory
[root@ct /]#
```

042stab094.7 - can't download (404 not found)

please help me ..
