## Subject: Re: factory repo, should it be used or not?
Posted by vaverin on Fri, 11 May 2018 12:33:43 GMT

Dear javii,

it is our fail,
factory repository should be disabled in stable branch.

We're going to release updated version soon,
right now please disable factory repo manually.

Thank you for reporting this issue,
sorry for our mistake,
    Vasily Averin
