Quote:Please, try this kpatch module as a fix for kernel 3.10.0-1062.12.1.vz7.131.10:

#<http://fe.virtuozzo.com/602a9723c49782e0a8142a5b6fac65f3/kpatch-p.ko>

Installation is simple:

```
$kpatch load kpatch-p.ko
```

Thanks, but our recent issues have all happened on nodes that already have the latest kernel 3.10.0-1127.8.2.vz7.151.14
