Subject: Re: Problem with X11 and VNC Posted by mkl0815 on Mon, 04 Sep 2006 10:02:30 GMT View Forum Message <> Reply to Message

Hi,

you may try "ssh -X ..." when connecting to your ve. you need a local X-Server runnning (f.i. your laptop).

VNC will not work the way you wrote.

you can also install an X-Environment on your VE running a special X-Server for VNC. if this is running, you can connect via VNC to your VE.

greetings, mario.
