Subject: Re: multiples interfaces ? Posted by pollux on Thu, 07 Sep 2006 09:49:18 GMT View Forum Message <> Reply to Message

Yes, I know I could have used a veth to do that. I was trying to avoid this solution because the docs mention some problems with that .. (and that it should also work with venet, veth is only a workaround )

Anyway, I have found: vz# ip route add 10.0.0/24 dev venet0 src 10.0.0.108

Thanks for you help.
