Paul,

We had this discussion more than 18 months back and concluded that it is not the right thing to do. Here is the link to the thread:

<http://marc.theaimsgroup.com/?t=109173653100001&r=1&w=2>

Chandra Seetharaman | Be careful what you choose....
- sekharan@us.ibm.com |you may get it.
