Subject: Suse 9.3 Image

Hi

thanks to Kir helping me to setup a Suse 9.3 X86_64 Image.
You can download it here:
http://web150.dd01.profihoster.net/
(my real domain ronny-goerner.de will work again in 24h, sorry for that)

Thanks

Would be nice to get some feedback

Keep on Dev
Thanks + Regards,
Ronny
