Hi Dvorkin Dmitry,

> in the host

> [root@rh0 dv]# date

> Fri Dec 15 14:36:44 MSK 2006

> but in VPS I have:

> [root@h0028 ssh]# date

> Fri Dec 15 06:37:28 EST 2006

EST => UT-5:00

MSK => UT+3:00

the timezone between VE0 (here: rh0) and VE (here: h0028) differs, look at

<http://forum.openvz.org/index.php?t=msg&th=1662&star t=0&>

for setting your right timezone in your VE.

Regards,

Thorsten Schifferdecker
