Linux onstar 2.6.9-023stab037openvz #8 Mon Jan 22 12:09:31 PST 2007 i686 Pentium III
(Katmai) GNU/Linux

I've attached my make and .config files.

FYI I did :

```
vzctl exec 101 /bin/mount  
none on /proc type proc (rw)  
none on /proc type proc (rw)  
none on /proc type proc (rw)  
none on /proc type proc (rw)  
none on /proc type proc (rw)
```

Thanks
