Subject: vmstat FPE Posted by iowissen on Thu, 02 Feb 2012 03:52:11 GMT View Forum Message <> Reply to Message

hi all,

we recently found the vmstat in container result in Float Point Exception (but it is not a problem in the host). the kernel is 2.6.32-042stab044.11 and the procps version 3.2.7. any suggestions and hints? thanks a lot in advance!

best, maoke
