
Subject: Re: [patch -mm 1/4] rename struct namespace to struct mnt_namespace
Posted by [dev](#) on Fri, 08 Sep 2006 17:16:27 GMT

[View Forum Message](#) <> [Reply to Message](#)

AFAIK, one need to write

From: Original Author <email>

in addition to 1st Signed-Off-By line.
(Documentation/SubmittingPatches)

I didn't knew it either for a long time,
thus effectively hiding original author names :/

Thanks,

Kirill

```
> this patch renames 'struct namespace' to 'struct mnt_namespace' to
> avoid confusion with other namespaces being developed for the
> containers : pid, uts, ipc, etc. 'namespace' variables and attributes
> are also renamed to 'mnt_ns'

oops ... i'm using quilt to send the patchset and i have brutally added my
From: in this patch. very sorry. fixing it.

C.
