Hi,

Is it possible to reset the failcnt number of UBC to zero without rebooting?

Regards,

I am out of the office until Tuesday 26th September 2006.

Please contact our team via the following for any issues relating to a hosting account:

Billing - billing@transnexus.com

Domain Renewals/Transfers/Registrations - domains@transnexus.com

Sales - sales@transnexus.com

Support - support@transnexus.com (24/7)

If you have any queries please contact Damien Ransome via damien@transnexus.com, and for problems with technical support please email Daniel Pop via daniel@transnexus.com.

For anything else I will get back to you as quickly as possible when I return.

Regards,

Andrew Cranson

This wiki article describes this with all the details:

http://wiki.openvz.org/UBC_failcnt_reset
