Hi,

As i am using Debian and need some other patches on the kernel i need the kernel patch for 17.1 is that somewhere available ?
For me it looks like the one on the download page:
[http://openvz.org/download/kernel/devel/archives/2.6.16-026t_est017.1]
is still the old one.

best regards

Fabian

I am out of the office until Tuesday 26th September 2006.

Please contact our team via the following for any issues relating to a hosting account:

Billing - billing@transnexus.com
Domain Renewals/Transfers/Registrations - domains@transnexus.com
Sales - sales@transnexus.com
Support - support@transnexus.com (24/7)

If you have any queries please contact Damien Ransome via damien@transnexus.com, and for problems with technical support please email Daniel Pop via daniel@transnexus.com.

For anything else I will get back to you as quickly as possible when I return.

Regards,

Andrew Cranson
