Subject: Patches for the latest kernel version Posted by Fabian Kropp on Fri, 22 Sep 2006 09:56:30 GMT View Forum Message <> Reply to Message

Hi,

As i am using Debian and need some other patches on the kernel i need the kernel patch for 17.1 is that somewhere available ? For me it looks like the one on the download page: [http://openvz.org/download/kernel/devel/archives/2.6.16-026t est017.1] is still the old one.

best regards

Fabian
