Subject: *RESOLVED* "Management of System Resources" guide?
Posted by akie on Tue, 10 Oct 2006 13:16:34 GMT

In the User's guide (http://download.openvz.org/doc/OpenVZ-Users-Guide.pdf) I see several mentionings of "Management of System Resources" guide.
But where can I find it? Google search doesn't help.

Thanks.

Most probably, it is not completed and that's why not published.
You can start from here:
