
Subject: How do I clone a VE?

I've loaded a minimal system and added a few extra utilities that I'd like to save as a base. What I plan on doing is using the clone to populate a few VE's that then will be used for similar purposes. What's the best way to do this?

THanks,
Jim.

Hello,

Take a look at this article:
http://wiki.openvz.org/Cloning_VE

HTH,
Vasily
