I tried to compile vzrpm43 on Redhat AS4 running on IA64 platform. Link failed with the following error, is there anyone have idea about this? Thanks.

```
poptmodule.c:43: warning: no previous prototype for '__printPopt'
poptmodule.c:362: warning: no previous prototype for '__setPoptOption'
poptmodule.c:514: warning: no previous prototype for '__getPoptOptions'
poptmodule.c:549: warning: no previous prototype for '__getArgv'
poptmodule.c:664: warning: function declaration isn't a prototype

Unfortunately, vzrpms dont' work for 64bit platforms.
