
Subject: [patch 39/68] attach_pid() with struct pid parameter

Posted by [akpm](#) on Fri, 11 May 2007 05:22:58 GMT

[View Forum Message](#) <> [Reply to Message](#)

From: Sukadev Bhattiprolu <sukadev@us.ibm.com>

attach_pid() currently takes a pid_t and then uses find_pid() to find the corresponding struct pid. Sometimes we already have the struct pid. We can then skip find_pid() if attach_pid() were to take a struct pid parameter.
