Hello,
How can order supported openVZ?
sales@openvz.org not answered my email.
I need support.

Hi,

can you explain what kind of support is needed ?

I don't know anything about openvz.
i need support for install, create, edit, manage new plan and customer support,

Do you only want to sell, and let someone else manage the infrastructure for you? The OpenVZ devs stay busy with their commercial product. I doubt they have time to run a business for you.

Maybe you should find someone who's already managing OpenVZ servers, and partner with them.

I like <http://vpsville.ca/>
