Subject: openvz 2.6.18-53.1.14.el5
Posted by avds on Sat, 22 Mar 2008 06:10:16 GMT

Hi,

Are there any plans to release openvz 2.6.18-53.1.14.el5 kernel?

Currently we are not going to force the rebase to this kernel. Probably we'll wait until RHEL5 update 2 release.

Could You please explain why this update interesting for You?

thank you,
Vasily Averin
