
Subject: [PATCH 2/2 net-2.6.26] [NETNS]: Compilation warnings under CONFIG_NET_NS.

Posted by [den](#) on Wed, 26 Mar 2008 07:40:53 GMT

[View Forum Message](#) <> [Reply to Message](#)

Recent commits from YOSHIFUJI Hideaki <yoshfuji@linux-ipv6.org> have been introduced a several compilation warnings 'assignment discards qualifiers from pointer target type' due to extra const modifier in the inline call parameters of {dev|sock|twsk}_net_set.

Drop it.
