Subject: *SOLVED* kill vzctl process
Posted by gozargah on Thu, 31 Jul 2008 23:09:45 GMT

Hello,

How can kill a vzctl process.
I have a vzctl process in my top process and need to kill it, but its not stop by "kill PID"
Help me please, because one of my vps locked now and vzctl process must kill for unlock this
vps.

Thanks
