VK.com is an all-purpose tool for finding friends, both old and new.

Our goal is to keep old friends, ex-classmates, neighbours and coworkers in touch.

We currently number 45 317 673 and counting.

VK is the most popular website in Russia and Ukraine.

On our site, you can:

Find people with whom you've studied, worked or met on vacation.

Learn more about people around you and make new friends.

Stay in touch with loved ones.
