We set the container limit to 1024 / 2048 and so on but all are able to burst upto 100mbps in/out going traffic.

We are running the

2.6.18-194.3.1.el5.028stab069.5 #1 SMP Tue May 18 17:48:31 MSD 2010 x86_64 x86_64
x86_64 GNU/Linux

Thanks
