yes thanks for your help.....i am using Centos-4-i386-default.tar.gz here is more about my error....just noticed

after the firefox update and trying to to ssh back in it says

this....."ssh\_exchange\_identification:connection closed by remote host." now what i did do was before i did the firefox

update i ssh in and kept the seesion open. i am @ a point now

where i did do the update and i i kept my ssh session open

but when i try to go in on another session it gives me the error.

jim
