Compilation fix. MAC_FMT is required for
drivers/net/wireless/libertas/debugfs.c

The problem has been introduced by the
commit 4b326fa2167d4ee2d722bff4e241fae299e32442
Author: Michael Chan <mchan@broadcom.com>
Date: Mon Dec 24 21:28:09 2007 -0800
