Hello

Below are the links to the templates. This is the standard way of sending the templates? I will be quoted in any way?

http://pccepa3.if.usp.br/opensvz/fedora-core-4-x86_64-minimal.tar.gz

http://pccepa3.if.usp.br/opensvz/scl405-x86_64-minimal.tar.gz

A fedora core 4 x86_64 template and a scientific linux 4.5 x86_64 minimal.

Tanks for the attention.
