The containers mini-summit is happening at the Novotel Hotel.

Note that our breaks don't correspond to the break times given by
facilities. I intend to ignore that - we can break for 5 mins to
collect coffee whenever - but if someone wants to update the times on
our agenda to better match these breaks that's fine.

I did however move the first two segments back by 30 minutes so that
we start at 8:30am. Please note the time change!

Subject: LS Mini Summit: Schedule Update & Info

Hi,

Here is the latest update.

Location

Les Suites Hotel
1. Virtualization (Garden Suite Room) - Theatre Style Seating (35)
2. Linux Power Management (Rideau Suite) - U-Shape (20)
3. Linux Wireless LAN (Byward Suite) - U-Shape (25)

Novotel Hotel
1. Containers (Albion A) - U-Shape (35)
2. SE Linux (Albion B) - Theatre (45)

Schedule

08h30 - 16h30
With breaks at 10h00 - 10h30 and 15h30 - 16h00 and lunch at 12h30 - 13h30.
If the
breaks don't fit *exactly* with your schedule it should be ok since things

like coffee/snacks
shouldn't go back if you are 15 minutes early/late.

Registration

Please send us your registration lists by Monday, July 21st (at the latest).
We are still trying to decide if we will be holding registration on Tuesday
or if we are just going to confirm your list against our registration list
so
that your attendees don't have to walk to the Congress Centre then walk
back.

We will provide specifics about room locations/access before the weekend.
Contact me directly if you have any questions but I think we're getting
there. :)

Cheers,

C.
