allan.talver wrote on Mon, 05 October 2020 05:56Is it reasonable to expect that the fix will be part of any future kernels after 3.10.0-1127.8.2.vz7.151.14?
The patches were included into kernel 3.10.0-1127.18.2.vz7.163.2. If they actually fix your issue, updating kernel to that or a newer version (when it is available) could help.
