Subject: RHL6 and openvz kernel conflict
Posted by userkiller on Mon, 30 Apr 2012 12:54:00 GMT
View Forum Message <> Reply to Message

im getting the following error while trying to do yum update

ive been trying yo resolve this issued for over a month please any help will be appreciated

You can't have kernel-firmware and vzkernel-firmware installed at the same time. Try:

yum update -x kernel*

I usually remove kernel and kernel-firmware altogether, leaving only vzkernel and vzkernel-firmware on our servers.
