bonjour a tous,

merci beaucoup au developpeurs openvz

voila quelques semaines que je tente d'installer openvz et j'ai lancé plusieurs commandes pour tenté de résoudre les problèmes décrit dans le log putty.

je suis égaré pouvez vous m'aider please !

cordialement

Sauf erreur de ma part, ce n'est pas openvz que tu tentes d'installer là, mais Openvz Web Panel, qui est une interface Web de gestion d'un serveur openvz... c'est assez différent.
