logger(-1, ...) should be followed by "return SOME_ERROR" and vice versa
Div. changes between logger(0, ...) and logger(1, ...),
to make console less verbose

Make logfile more verbose by default: LOG_LEEVEL=2

> logger(-1, ...) should be followed by "return SOME_ERROR" and vice versa
> Div. changes between logger(0, ...) and logger(1, ...),

The patch from above together with the patch from
"[PATCH] logger: make console output independent from loglevel"
probably makes sense only if LOG_LEVEL is set higher than 0

Regards,
