Hello,
We can not login our webmails via Plesk's horde webmail client.
Although every info is correct, doesnt let us get in.

Need help asap

Thank you

Plesk is a commercial product. Have you contacted sw-soft?

Further questions.
-what kernel are you running (want to know if its openvz)

Hello,

I have fixed this problem by reinstalling IMAP on the server. you can check http://trulymanaged.com/blog/plesk-for-linux/cannot-login-to -horde-webmail-plesk-login-failed/ for more information.
