The Live CD below fails in live migration....
(And this is the reason I can not try file deleting during live migration.)
http://wiki.openvz.org/Download_live_CD
http://download.openvz.org/livecd/KNOPPIX_V5.1.1-OPENVZ-CD-2 007-01-04-EN.iso

Here is a log from VMware 5.5.4, but I have reproduced this
on a real PC also.

--- Okajima, Jun. Tokyo, Japan.
