Subject: [PATCH 04/17] Pid-NS(V3) Use pid_to_nr() in process info functions
Posted by Sukadev Bhattiprolu on Sat, 16 Jun 2007 22:59:52 GMT

From: Sukadev Bhattiprolu <sukadev@us.ibm.com>

Use pid_to_nr() function in getppid(), getpgid() and getsid() functions
so they return the correct pid_t for processes in multiple pid namespaces.

Note: We don't need pid_to_nr() in getpid() because the process always
"sees itself" as being in its active pid namespace. Using pid_to_nr()
in getpid() would unnecessarily hurt its performance.
