
Subject: [PATCH 1/6][NETNS]: Introduce a netns_core structure.
Posted by [Pavel Emelianov](#) on Mon, 31 Mar 2008 12:09:08 GMT
[View Forum Message](#) <> [Reply to Message](#)

There's already some stuff on the struct net, that should better be folded into netns_core structure. I'm making the per-protocol inuse counter be per-net also, which is also a candidate for this, so introduce this structure and populate it a bit.
