FAQ:

Q: Do you oversell our Resources?

A: We Never oversell our server resources, so that mean, if you buy our vps hosting, you will be able to use all of your web space, Bandwidth etc.

Q: Do you allow IRC?

A: Yes

Q: Do you allow any adult content?

A: Yes, but it must be legal.

Q: If I have a problem with control panel, e.g. setup a mysql, ftp etc, what can I do?

A: We are always here, please don't be shy to contact us.

Q: How long does it take for my vps setup?

A: It usually takes few minutes to setup, if you wait for up to an hour, but the vps still not setup, please contact us.

Q: I would like to apply the free trial account , what can I do?

A: Simple to email us or find us on the front page (web chat)

Q: May I have more detail of free trial account ?

A: Free trial account goes with one Dedicated IP, and 3 days for free, after 3 days, if you would like to join us, we won't delete your vps account.

Q: How many servers have ECVPS got at this moment?

A: We got Four servers at this moment, two are using softlayer (Dallas), Two with using FDCserver (Chicago), but two of the Dallas's server are using Xeon + 8GB ram, only the Chicago not. So we strongly recommend our customers to use Dallas server. By the default, all customers will be use Dallas.

If you have question, please contact us by https://ecvps.com/client/submitticket.php

Q: Do you allow IRC?

A: Yes, as long as it is not connected to the public network

Can you clarify what this means? I would be interested in setting up an IRC server on one of your VPSes.
